4th Edition of

INDIA SPACE CONGRESS

2025

*Pioneering Innovations in Space technology:
India's Journey towards Global Partnership*

25-27 June, 2025 | Le Meridien, New Delhi, India

ABOUT INDIA SPACE CONGRESS (ISC)

The India Space Congress (ISC) began as an initiative by SIA-India in 2022, swiftly establishing itself as a leading platform in the global space industry. Over the years, ISC has grown exponentially, attracting a diverse and influential audience including government officials, space agency leaders, industry executives, entrepreneurs, investors, researchers, and academia from around the world. The congress is committed to bridging gaps in the policy and regulatory frameworks, promoting business growth, supporting startups and MSMEs, and creating opportunities for innovation and investment in the space sector while supporting technology

transfer and localization through joint R&D projects.

ISC 2025

ISC 2025 with the theme "Pioneering Innovations in Space technology: India's Journey towards Global Partnership" will build on foundational G2G partnerships translating them into tangible outcomes with a strong emphasis on B2B collaborations. Key features of ISC 2025 include Networking tracks, investment forums, innovation showcase, calls for papers, mentoring sessions, workshops, hackathons, and panel discussions.
